

CelebrateLAB[®] West Africa

LABORATORY PROFESSIONALS ANNUAL MEETING

HIGHLIGHTING RESEARCH AND DIAGNOSTICS IN WEST AFRICA

9th
YEAR

NEW
SESSION!!!

Research and Innovation in Africa: A clinical research showcase

Description:

Scientists from top universities, companies, public health institutes, and funders will present their research focus, diseases of interests, and strategies in short presentations to foster opportunities for partnerships and collaboration.

Dedicated meeting rooms will be made available for discussions and networking throughout the CelebrateLAB[®] Conference.
